

Testimonials

Corey Stiles - Marygrove College Instructor

"Built an environment where everyone felt comfortable."

"Created a family atmosphere and engaged his students. This is something I'll take with me to my classroom."

"Corey modeled the activities and used the flow model. Great speaker and kept our interest."

"Used humor and community building to create a welcoming and productive classroom."

He fired us up and created a wonderful community. Thanks for everything, Corey."

"Very knowledgeable. Got everyone to participate with no stress."

"Corey is a great instructor. He made things fun and exciting while helping us learn."

"He incorporated tried and true strategies."

"Excellent job in maintaining interest."

"He motivated and inspired me."

"It was totally fun, yet educational. Corey is a great educator. He's very enthusiastic and funny."

"Corey is an awesome instructor. It's tragic we didn't get him on staff at my school."

"Corey is a very dynamic teacher. He kept our interest with his energy and knowledge of the subject."

"His delivery promoted the exchange of useful ideas that participants will use immediately in the classroom."

"The instructor was dynamic with a great blend of lecture and hands-on activities."

"He modeled great teaching strategies and was fantastic."

"I loved the interaction with colleagues. Great instructor."

"As far as covering the materials owning up to the course topic, this course ROCKED."

"Offer courses with this instructor more often. This course must be offered more often."

"This course provided so many applicable ideas and strategies for my classroom."

"He kept the momentum of the class going with examples that have actually been used."

"He has a high level of energy."

"Human. He treated us like professionals."

"The district is so lucky to have him. He is a master teacher."

"Corey was great at modeling and explaining the strategies. He was open and honest and brought out the best in all of us."
